

# Lodge Rules.

1. Accommodation voucher/s to be handed to the Lodge Manager immediately upon arrival, otherwise you may be asked to pay again for your accommodation and it will then be necessary to seek reimbursement from the Committee.
2. All food must be put away in food cupboards, refrigerators and freezers. Cardboard boxes, eskys, bottles and plastic bags are not to be left in the pantry area at all or on the balcony.
3. Members are entitled to bring three guests only, unless a request for additional guests is requested in writing. Members are fully responsible for their guest's behaviour in the lodge at all times, ensuring they conform to all rules of the club. Guests must be accompanied upon arrival at and upon departure from the lodge and under no circumstances will guests be permitted to stay at the lodge on their own. The practice of requesting members staying in the lodge to sponsor guests unknown to them is not condoned. Should a member agree to do this they are then responsible for that person/s until they depart.
4. Smoking is strictly forbidden in the lodge at all times. Smoking is forbidden within 4 meters of the front door of the lodge.
5. Consumption of food or beverages in the bedrooms is strictly forbidden. This means breakfast or other meals are **not** to be taken to a room, unless there is an emergency.
6. Children under the age of five (5) years are not allowed to stay in the lodge, except during approved children's weeks. Children under the age of 16 are not permitted in the Lodge without a parent or adult, even if they are members in their own right.
7. Cleaning of food lockers, refrigerators, trays and vacuuming of rooms plus cleaning of the ensuite area

must be done before vacating the lodge. Upon arrival members are requested to advise the manager immediately if they find the room they have been allocated is left in an unsatisfactory way. The Committee should be advised and a fine will be administered to the previous occupant of the room. Fines for unsatisfactory rooms is \$50 per bed. Should anything be spilt on the bed linen, please advise the Manager immediately and she will assist with replacements.

8. Members must clean cooking areas after use. This includes the BBQ. All work bench areas are to be wiped down and cleaned also. If drinks, coffee, nibbles etc are served in the lounge, then please wipe tables after use and in particular take all dishes to the kitchen, wash and put away.
9. Two commercial dishwashers are available in the kitchen for members use. It is imperative that all dishes be fully rinsed before loading to ensure that dishes are washed properly. Instructions for the use of the machines are posted in the kitchen.
10. The Manager will wash breakfast dishes if they are rinsed and stacked before 9.00am.
11. Microwave ovens are not to be used for defrosting during meal times.
12. The lounge area is not to be used as a dining area. Members are requested to use the dining area for all meals.
13. Members and their guests are requested to hang their ski clothes in the drying and not leave them on the floor, benches, or heaters. Boots must be hung on pegs provided. Pegs are numbered as per room.
14. Members and their guests are requested to dress suitably in the common areas of the lodge at all times. Common areas are The Lounge, Dining, Kitchen, TV rooms and Foyer. This means that no swimwear, singlets, pyjamas

or ski thermals are to be worn as clothing in the club's common areas.

15. Linen must be used on all beds for Health and Safety reasons. Sleeping bags are not permitted.
16. Vacating time from the rooms is 4.30pm.
17. Please turn off lights, and heaters to low in bedrooms when unoccupied.
18. Laundry: Washing machines and dryers are available for use. Operating hours of the laundry is 7am until 10pm.
19. Spa and Sauna: Operating hours are 10am until 10pm. No glass (including bottles) are to be taken into the spa and sauna area. Plastic cups are available from the kitchen. Children are to be supervised in the spa at all times. Long hair is to be tied up so as not to clog filters.
